## Welcome Reuben Judd as Vice Chair of Administration

**R**euben Judd and his wife Eileen live in East Phoenix, where they have lived for over 30 years. They have eight children, three of whom are boys, now young men who have been involved in scouting in the Camelback District,

and have earned the rank of Eagle Scout during that time. Reuben has enjoyed a long career with the Salt River Project, where he has worked in

the internal audit department for the past 27 years. In scouting, he has served in troop, team, crew, sponsoring organization, district, and council positions, supporting young men and their leaders in the pursuit of scouting values and preparation for life. His favorite recent quote is "Success is always in the invitation," which represents how a boy's life can be changed as he is invited to participate in a troop, team, or crew, increasing his meaningful friendships, and love for duty to God and country. He recently created a video that illustrates how this principle led to the recruitment of over 30 boys, 12 of which have now earned the Eagle award, many under less than optimal circumstances in their lives. He has been awarded the District Order of Merit on three occasions and is a recipient of the Silver Beaver award.

Reuben is grateful to serve the District again as the Vice Chair of Administration.

## Cub Scout Requirements Modified

**B**oy Scouts of America is modifying Cub Scout newly implemented requirements because of feed back from Den Leaders, Cubmasters and busy parents. They discovered Den Leader's had difficulty fitting all the adventure requirements into the their schedule, resulting in scout not advancing. After this review BSA changed some adventures requirements to optional, giving Cub Scouters more control over their programs. The changes took effect November 2016.

For those in that position, training can be done online at [my.scouting.org](http://my.scouting.org) in the Learn Center. Be sure and enter your member ID number so that the training you take is recorded. Start with Youth Protection training and Position Specific Training.

## BOY SCOUTS OF AMERICA® ORDER OF THE ARROW

### Register for Arrow of Light/ Crossover Ceremony at Spring Camporee

Attention packs. Your Arrow of Light recipients can be recognized at the Camelback District Spring Camporee at the Heard Scout Pueblo on April 8th. Please RSVP with the number of youth being recognized for each achievement (AOL rank or crossing into a Boy Scout troop) to Keith Jendricks by Friday March 31st. The ceremony will be cancelled if there are no participants by that time.

### Show Your Chapter Pride

The Oraibi Chapter now has t-shirts, polo shirts, and hoodies for sale with the chapter totem (sun kachina) and name on the back. Come to a chapter meeting or the chapter snack bar at ordeals to purchase.

### Ceremony Team Needs More Members

The Oraibi Chapter Uwiwita ceremony team needs youth and adults to help with Arrow of Light, Call-out, pre-Ordeal, and Ordeal ceremonies. Contact Keith Jendricks if interested. The team aims to support both the Camelback District and Wipala Wiki Lodge through these recognition and induction rituals.

### 2017 Dues

Lodge dues are paid on a calendar year basis. Those inducted at the September and October 2016 ordeals have their dues paid through 2017. Those inducted at the May ordeals or earlier need to renew for 2017 if they haven't already done so. Dues may be paid at the council service center, chapter meetings, lodge events, or the lodge website ([wipalawiki.org](http://wipalawiki.org)).

### Unit Order of the Arrow Elections

Order of the Arrow elections must be conducted by a team from the lodge (council) or chapter (district). A unit may not conduct its own OA election.

Troops and teams may schedule an Order of the Arrow election once per calendar year. Many units hold their elections from January to April. This allows candidates to be called-out at the district spring camporee and to attend the spring ordeals.

Scheduling the election is the responsibility of the troop or team Order of the Arrow representative (OAR), an Arrowman who should be appointed by the senior patrol leader or team captain. If the unit has no Arrowmen or has not appointed an OAR, then the SPL or captain should schedule the election through Robert Butteweg. Please provide at least three weeks' notice.

LDS units are encouraged to hold elections and promote involvement in the Order. At the August 20th conference held by the three stakes in Camelback District, John Wintersteen

and Roy Shreeve discussed fulfilling the purposes of the Aaronic Priesthood through participation in the Order of the Arrow. Both programs emphasize brotherhood and service to others. The induction process, leadership training, fellowship, and service opportunities of the Order are excellent preparations for successful missions.

A candidate for the Order of the Arrow has one year from his election date to complete an Ordeal (thus becoming an Ordeal member). If he fails to attend an Ordeal in that time then he must be reelected (or renominated in the case of adults) for another opportunity to join. The lodge typically schedules Ordeals on the first and third weekends in May and the second weekends in September and October. Please schedule unit elections and call-outs accordingly.

### Arrow Tips (to do list) for March and April

- Schedule your troop's or team's OA election so candidates can be called out at the camporee and attend one of the May Ordeals.
- Become a Brotherhood member if you've been an Ordeal member for at least ten months (April 1).
- Attend the Lodge Fellowship (March 3 – 5).
- Volunteer to help with events, cooking, campfire lead-in and lighting, or ceremonies at the spring camporee (April 7 – 9)
